

Covering Room Prayer (Pre-Session: before client arrives)

(NOTE: This prayer is a good way to begin your session time prior to a client arriving. It does not eliminate all spiritual warfare during the session. In fact, this prayer is more of a state of mind that it will be important to maintain throughout your session. It is important to be vigilant of your own heart and mind as you work with people.)

Most High God, I come to you in the name of Jesus Christ. I thank you for what You are doing in me and through me today.

- Protect me from all the lies of the enemy and filter my thoughts, feelings, and words through your Truth.
- Remove anything of an evil spiritual or ungodly nature from my humanity,
- Please prohibit Satan from seeing, hearing, or interacting with this time, and
- Align my spirit with the true Holy Spirit. I give you permission to flow through me as you choose.

I ask that you cleanse this place of anything that is not of you or anything that could be used to hinder or distract from your purpose.

- Please set a guard over every physical and spiritual opening in and out of this place, and only allow those things to enter which you deem necessary to complete your work.
- I ask that you cleanse and have complete authority over all utilities, over all technology, battery operated devices, and the electromagnetic field in and around me and this place.

I give you full authority in this time, and I give you all of the glory, honor, and praise for what you have done, and will do.

In Jesus name, Amen.
